## THE THURSDAY WORKSHOPS

### ACTIVATING DISCUSSION & DISCUSSING ACTIVISM

The **craft workshops** in Space 109 and City Screen are an integral part of the carnival. There is limited availability and places will be allocated as fairly as possible. All workshops are suitable for beginners as well as those with expertise.

The **talks** in Kings Manor are open to all.

The **film night** has good capacity, though tickets will also be on sale to the public via City Screen. You are advised to book (see below for your method depending on your ticket).

#### How to book for the Thursday Workshops and the Feminist Film Night

If you have bought a 3-day ticket: There is no extra cost for holders of 3-day ticket for any Thursday workshop or the film night. But you must email if you want to reserve a ticket for workshop or film night: [thursday@feminist-cultural-activism.net](mailto:thursday@feminist-cultural-activism.net)

If you do not have a 3-day ticket & would like to book for one or more workshops or for the film night: There are no day tickets for Thursday; people who do not purchase a 3-day ticket may register and pay for each individual session (workshop and film). Prices are as shown below and for workshops include all standard materials (you may be requested to bring extra materials or equipment, but this is optional). If the workshop you choose is full your money will be refunded. Register and buy tickets on: <http://tinyurl.com/fca-tickets>
